

## St. Vincent de Paul of Baltimore

Thank you for your interest in supporting St. Vincent de Paul this holiday season!

The generosity of the community during the holidays helps us to provide essential services throughout the year.

### Ways to Get Involved

#### Prepare a Meal for the Hungry

From November 1 through December 30, individuals or groups are needed to prepare and donate dishes that can be heated and served for lunch and dinner at family shelters located in West Baltimore and Reisterstown.

#### Donate

##### Breakfast Bags

Morning hospitality bags should contain a muffin, bagel, or box of cereal, a piece of fruit and/or energy bar, and a juice box.

##### Bagged Lunches

Bagged lunches should contain one meat and cheese sandwich, one piece of fruit or a snack, and one room temperature drink (ex: a juice box).

##### Conduct a Drive

Drives are a great way for us to collect vital supplies our shelters will use the rest of the year. Your groups, church, business or school can work together to collect coats, hats, mittens, boots and toys. Also feel free to check out our [Amazon Wish List!](#)

##### Donate Gift Cards

Gift cards a really helpful way for us assist clients. We use them all year to make sure all needs are met as much as possible.
